Snippet

Datacom Cybersecurity Job Simulation on Forage - June 2024

- Completed a simulation focussed on how Datacom's cybersecurity team helps protect it's clients
- Investigated a cyberattack and produced a comprehensive report documenting findings and outlining key recommendations to improve a client's cybersecurity posture
- Conducted a comprehensive risk assessment

"Why are you interested in this role?"

- I recently participated in Datacom's virtual job simulation on the Forage
- platform, and it was incredibly useful to understand what it might be like to
- participate on a cybersecurity team at Datacom.
- I worked on a project to investigate a cyberattack and conduct a risk assessment
- in a real-world context.
- Doing this programme confirmed that I really enjoy working
- on complex cybersecurity threats and I'm excited to apply these skills on
- a cybersecurity team at a company like Datacom.
